MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Weekly Report of the Office of Training
15 September 1966

1. Defense Intelligence School -- Advanced Intelligence Course

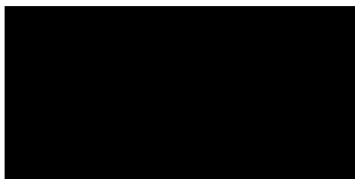

25X1A

 DDS&T, is the Agency's representative at the Advanced Intelligence Class at the Defense Intelligence School which began on 10 September.

2. Executive Orientation in Planning, Programming, and Budgeting

Only four Agency nominations were submitted for the 12 September running of this course:

25X1A

DDP/TSD
DDS/OS
DDI/FBIS
DDI/NPIC

Follow-up calls were made during the last week to all Senior Training Officers, as well as O/PPB to find other candidates. The Clandestine Services had four others scheduled but because of unresolved cover problems and office priorities only a TSD man remained available to attend. We turned back six spaces to the Civil Service Commission.

3. Instruction in Safe Driving

Arrangements have been completed with the District of Columbia

Bureau of Motor Vehicles for a two-day session on driver education for the Agency's drivers and couriers. One group completed its training today and another group will complete its training on 23 September. These two sessions have been arranged in response to a request from the Office of Logistics.

4. National War College

Colonel Eugene Trahan, Executive Officer, National War College, has requested that all agencies sending employees to attend lectures at the College thoroughly screen their candidates prior to nomination. Colonel Trahan stated that he was not critical of those selected by CIA but that the problem was with other agencies. We have assured him that we shall continue to critically appraise requests to attend College lectures and to send only those who have a genuine "need to know."

5. Support Services Review: Trends and Highlights

For the first running of this course, 14 - 16 September, we have a total registration of 53. Although the quota for the course was established at 50, 3 additional members from the Audit Staff were permitted to attend. Non-DDS careerists will be taken on a space-available basis only. The October running of the program already has an enrollment of 17.

6. Training of Clandestine Services Female CTs

A training program for female CTs destined for the Clandestine

Laboratory results from a second sample of [REDACTED] water sent to the [REDACTED] State Board of Health indicated Coliform Group present. Efforts are being made to identify the specific type of bacteria and the source. Individual samples from all wells on the Base have been collected and forwarded for analysis and chlorine has been introduced into the water. If the water from all wells is positive and the bacteria is harmful, it will be necessary for

25X1A

25X1A

[REDACTED] to set up a chlorinating treatment system. If it can be identified as coming from one or two wells, these will be abandoned and water will be pumped over from wells free of bacteria.
